

## Holy Trinity Core Team Minutes 9/10/2015

Present: Krista, Paula, Chad, Corinna, Ashley, Lynnette

Last meeting: Overview of the proposed new leadership structure was discussed.

This meeting's discussion:

**Leadership structure:** People who are likely to be knowledgeable about the continuing ministries, therefore would be good to start with as ministry leaders were discussed (names in brackets below). Paula will confirm team or ministry leaders that have been suggested.

Committees that continue to stand include SPRT [Mark Snodgrass], Trustees [?], Finance, Core Team (subgroups Ad hoc committees & Shared Ministry (**volunteer coordinator-leader being sought by Don**), Worship Design [Chad], Church Operations (huge new category of work teams that make our worship and community care happen) Youth & Family Ministries [Lynnette] (sub divided into children, teen, & adult-still considering group leader candidates) and Community Outreach [Mike Huss] (2 sub groups: service/mission & marketing) Each Main category would have a Core Team liaison.

To "man" the leadership and work teams, we need to prepare for the Ministry Fair (Sunday, November 1) where we will have current knowledgeable leaders explain the service needed, the time commitment and help mentor or establish mentors for interested volunteers. **Paula will reach out to current leaders to ask them if they will continue to serve as leaders, to lay out the duties, to describe how many people from past participation will continue to help, and how many will be needed to do the work.** The Core Team liaisons for each team are proposed as:

Outreach: Corinna

Core: Paula

Youth & Family: Lynnette

Finance: Ashley

Worship Design: Chad

SPRT: Lori

Trustees: Tina

Church Operations: Don

Discussed need to offer a new way to allow people to sign up in an ongoing way, like we do with the Fellowship Hour. Offer mentoring for the first time or trial effort at volunteering. Need to consider when to let a ministry go (ushering? Nursery?)

**Memorial Plan:** Ashley reported that the Memorial plan is in place. There will be a wall of pastors and a memorial wall to recognize donors and hang the given items with standardized plaques. Confirmation photos will be put in standardized frames in the Fellowship Hall.
