Love God, uplift people, inspire hope, and grow disciples of Jesus Christ
in our community and everywhere we go.

Present: Paula Green, John Bauchle, Chad Gilbertson, Lynnette Dobberpuhl

Discussion

1. Financial Reports- reviewed the printouts, but Core Team is invited to take a closer look at their leisure and return with any questions. At a future date will meet with Jim and Kelly. We want the budget and financial processes to be clear and as simple as possible.
2. Member Information Center/Welcome Center-we have a corporate account with Sign Up Genius, see Lynnette for administrator access, John will talk to Trustees and Paula talk to Marketing regarding moving the welcome booth, Chad talk to Technology Team about getting a laptop to be used on Sundays to access website and sign up genius as needed, will need to coordinate with the Welcome volunteers to make this useful.
3. Worship—Values Assessment for Churches Feedback: Have been getting feedback from some ministry leaders that filling out the assessment made them feel bad about giving low scores, scared about what that means for the future of the church. Discussed that it is important to be aware of areas of concern and strength. Feedback so far has been helpful. No plans at present for taking the Values Assessment to the general congregation.

5. Pastor Comments and Closing Prayer-One of the ways that Chad is becoming involved in the community of Prior Lake, is to work with the police department as one of their chaplains. This is a new opportunity in Prior Lake, and Chad is in the application process and will soon have training. Will carry on on-call cell phone for contact to help minister to people in crisis. A chaplain can be called to accompany a police officer for a death notification, or deaths in homes or traffic accidents, house fires, etc.
