Prelude

Welcome

*Hymn "O God, Our Help in Ages Past" (verses 1-3) Hymnal #117

*Greeting

Leader: Those who are thirsty, come to the fount that will not dry up.

People: We bring our thirst here to be quenched.

Leader: Those who are weary, Spirit is a ready refuge.

People: We bring our weariness that we might find rest.

Leader: Those who feel lost, come to the One who knows the way.

People: Lead us by the hand, by our hearts, and by hope.

Prayer (unison)

God, when we hear the daily news, it is easy to feel as though power prevails, evil wins, and the powerless continue to be oppressed. Remind us through the stories in the scriptures that you are always with us and that your love for us never fails – your love prevails! We celebrate the times when heaven and earth meet – the times you break into our lives in ways that make us exclaim: "If it had not been for the Lord who was on our side...!" Thank you for a love that transcends calamity, a love that lifts up those who are oppressed, a love that frees the lips to rejoice. AMEN.
