Prelude

Welcome

*Song of Praise “For the Fruits of This Creation” Hymnal #97

*Greeting

Leader: The presence of God is here among us:

People: Protecting us, loving us, encouraging us.

Leader: We come as a people of hope, fixing our eyes on what is holy.

People: May our hearts and minds dwell in the peace of God as we worship together.

Opening Prayer (unison)

Peace-giving God, we are your people, and we belong to you. While we are not of this world, we do live in this world with its challenges and obstacles. Often our fears and our anxieties overwhelm us and we are tired. In our humanness we come before you, seeking your strength to sustain us and your rest to give us peace. Help us relinquish our worries so that we may fully experience your peace and joy through Christ. Amen.

Generous God, you have blessed us beyond measure. We pray that you will pour out your favor, not only on the monetary gifts we’ve given, but upon our very lives offered to you in a spirit of gratitude. Let our lives be focused on using our tangible gifts and our living witness to your love for all of creation. Amen.
